hile enclosing herewith, the file of record together with the resolution of the Municipal Council Vadigerahalli, submitting detailed proposals regarding the above I have the horour to state that at the time of last elections the party feeling ran very high ard ultimately the Vice Pre ident had to be appointed by name The Amildar Presider and the Sub Division Officer Dodballapur Sub Division, point out that this was due to tne fact that the Nagarthas are very influential people in that place so much so they have successfully cortested and captured six out of seven elective seats in the town, further almost all these persons resid in the same quarters this representation being unequally distributed The Local Officers strongly recommend that, if the proposal for dividing the municipality into wards is approved by Government the elective seats may possibly be distrib ted amongst people of different interests ard tne acrimony and tersio that was formerly felt, may be avoided A statement giving the d tails of proposals submitted is herewith submitted for your kind peru al

2 The Election Rules issued with Government Order No 600-Ll 57-13-1 dated 3th Jul 1913 re inor Municipalities do not provide for dividing minor municipal Councils in o wards But since the local officers strongly recommend for extending the principle to this Municipality and in view of the circumstances stated above I recommend that the proposals of the Municipal Council may kindly be approved by Government A very early reply is solicited since the elections have to take place in the month of June 1 3(

I have the honour to be
